

HOW DO I

PAY FOR MY RUNNING COSTS?

When you choose a Novated Lease with S.P.A., you gain access to a range of flexible payment options to cover the running costs associated with your leased vehicle:

- **Direct Payment:** Submit your tax invoice and grant S.P.A. authorisation to directly settle payments with the supplier on your behalf.
- **S.P.A. Online Portal:** Make payments for running costs out of pocket and then submit receipts via the secure Online Portal for prompt reimbursement.
- **Fuel Expenses:** You have the choice of using either Motorpass, BP, or Shell cards, which will provide flexibility selecting a fuel provider that best suits your preferences and convenience.
- **Maintenance Expenses:** These costs can be paid for with the Motorpass card, or booking directly through our trusted partner, AutoGuru.

RESIDUAL
VALUE

The residual value, also known as a balloon payment, represents the portion of the vehicle's cost not covered during the lease term. Before you begin your lease, you'll receive clear information about the specific residual value for your vehicle.

Upon lease completion, you'll have several options to address the residual amount. S.P.A. will proactively reach out to guide you through these options before your lease ends.

The residual amount is determined by the ATO and varies based on your lease duration, which can span from 1 to 5 years.

WHY A NOVATED LEASE?

Accessible to all eligible employees, a Novated Lease stands out as a premier method for maximising income while minimising tax obligations. By utilising pre-tax dollars to cover a portion of lease and operational costs, you effectively reduce your taxable income. Embracing a Novated Lease not only unlocks potential tax-saving benefits but also empowers you to streamline expenses through salary packaging your next vehicle.

BENEFITS OF A NOVATED LEASE:

- **Simplified Budgeting:** Plan for all your running costs with ease.
- **Tax Efficiency:** Utilise pre-tax dollars to cover some expenses.
- **Personal Use:** Enjoy the vehicle for both personal and private purposes.
- **Flexibility:** Choose from new or used cars, up to 12 years old.
- **Financial Optimisation:** Maximise your income while minimising your tax.

KILOMETRES

When you opt for vehicle salary packaging, we'll request an estimate of your yearly kilometres required. This helps calculate your vehicle's running costs. Gone are the days of needing to travel a set distance for tax benefits. In essence, salary packaging a car may provide you with the benefits you have been looking for!
