***All benefit examples based on 60 month terms driving. 14,500km per annum on a \$85,000 annual salary**

* Prices excluding GST under novated lease and images are for display purposes only. Vehicles subject to availability. The salary packaging of motor vehicles works for you by substituting a taxable benefit with a non-taxable benefit. The above cost figures represent the estimated impact on your take home pay taking into account those tax benefits based on the assumptions outlined. Terms, conditions, fees and charges apply. Applications are subject to normal credit assessment and loan suitability criteria. You should obtain independent financial advice taking into account your personal circumstances before you rely on these figures.
